Jackson signs on as new Anson Football Coach

After leading the North Stanly High School football team to back-to-back winning seasons, Ralph Jackson is heading to Anson to serve as the new football coach for the Bearcats.

Jackson will start on March 2, and will also teach history at Anson High School. He replaces Luke Hyatt, who was the head football coach from 2009-2014.

“I really think it’s a great opportunity,” Jackson said. “Anson has a great tradition there. I hear it’s a wonderful atmosphere on Friday nights, and I can’t wait to experience it.”

Jackson is a native of Stanly County, graduating from West Stanly High School, where he still holds the school

record for career rushing yards with 3,591. He led the North Stanly Colts to a 9-3 record season in 2014, with a nine-win season in 2013 also. He’s been the North Stanly Coach for five years.

He said it took him a few years to get his North Stanly team acclimated to a work ethic. “We really stress the weight room,” he said. “That weight room will be an integral part of what we need to be as a team at Anson as well.”

Jackson added that he stresses the weight room as part of team training because “football is changing,” and has been changing over the past few years.

“We’re building for explosive power now,” he explained, “not just for strength.”

He said his focus will not just be on football, however. “For me, it’s really about more than the team,” he said. “I want to be a positive influence for these

young men and make a difference in their lives. My focus is the team that I’m with. I want them to see that I’m a guy that has family values and a real strong conviction.”

Anson County Schools Superintendent Michael Freeman said he was pleased with the selection of Jackson as the new football coach and high school history teacher. “We are very excited about him accepting our offer,” Freeman said. “He brings a background in coaching that should be very beneficial for our athletics.”

Jackson said he’s looking forward to meeting the players and staff and other students at Anson.

“My ultimate goal is to have these young men getting back to dominance and return that rich winning tradition to Anson,” Jackson said.
